REPLY TO THE ATTENTION OF:

MEMORANDUM

SUBJECT: Nomination of Revere Copper & Brass Site for Non-Binding Alternative Dispute Resolution

FROM: Frank Covington
Deputy Regional Administrator

TO: Glenn L. Unterberger
Associate Enforcement Counsel
for Hazardous Waste Enforcement

This memorandum is to nominate the Revere Copper & Brass Site for alternative dispute resolution (ADR). This case involves an emergency removal action which was initiated on March 18, 1988 in Detroit, Michigan. The removal action was completed on April 27, 1988. Prior to and during this removal action, U.S. EPA expended approximately \$ 73,000. We anticipate that the PRPs may be interested in settling this matter, and, we believe, a trained mediator will greatly aid negotiations. Those involved with the case concur in this judgment.

We understand that if you object within 15 days of the receipt of this memorandum, we will not proceed with ADR in this case without your approval. We do believe, however, that ADR is appropriate in this action. We look forward to working with your office in this matter. If you have any questions concerning this nomination, please feel free to contact Thomas J. Kenney, Assistant Regional Counsel, at FTS 353-1027.
